

**Australian and New Zealand Association for Research in Music Education  
Winds of Change, the 41st Conference 2019  
31 October – 3 November  
Victoria University of Wellington  
Kelburn, Wellington, New Zealand**

**Nau mai, Haere mai! Welcome!**

Victoria University of Wellington is proud to welcome the 41st Conference of the Australian and New Zealand Association for Research in Music Education (ANZARME). ANZARME welcomes all researchers of music education, from beginning to experienced.

**Winds of Change** reflects the constantly changing nature of the educational landscape, and represents the political reality of changing philosophies, values, technologies and issues facing music education on all fronts today. It also echoes a Maori karakia (prayer) that we at Victoria often say at the beginning of important events and undertakings, such as our conference.

Whakataka te hau ki te uru  
Whakataka te hau ki te tonga  
Kia mākinakina ki uta  
Kia mātaratara ki tai  
E hī ake ana te atakura  
He tio, he huka, he hau hū  
Tīhei mauri ora!

*(Cease the winds from the west  
Cease the winds from the south  
Let the breeze blow over the land  
Let the breeze blow over the ocean  
Let the red-tipped dawn come with a sharpened air.  
A touch of frost, a promise of a glorious day.)*

There are two themes. The first represents music education researchers' responses to the external forces that challenge, prompt and engage us. "Tīhei mauri ora!" refers to claiming the right to speak, which for us is about the authority of music education research within the academy. Thus, the second theme refers to the place of pure music education research. The subtext is that in early November, Wellington is usually very, very well ventilated!

Please note that papers which do not address the conference theme will also be accepted for consideration. The conference theme is intended as a guide. Participants, particularly

## CONFERENCE VENUE (Kelburn campus)

The 2019 conference will be held in university council chambers and lounge in the historic Hunter Building on Kelburn Parade. Built in 1904, in the Arts and Crafts style, it was the first site of the University and now houses the Vice Chancellor's office and university administration. The council chambers are often used for conferences, presentations and concerts.

One conference session will be held in the wharenui (meeting house) of the *Te Herenga Waka Marae* where delegates will be welcomed on the first day.

## ABOUT WELLINGTON “the coolest little capital in the world”<sup>1</sup>

Wellington, the capital of New Zealand, sits near the North Island’s southernmost point on the Cook Strait. A compact and cosmopolitan city, it encompasses a waterfront promenade, sandy beaches, a working harbour and colourful timber houses on surrounding hills. Strong winds through the Cook Strait give it the nickname "Windy Wellington." It is the centre of New Zealand’s vibrant film industry and is also nicknamed “Wellywood”.

Wellington is famous for its energetic vibe, creative counter culture, excellent coffee, craft beer, quirky cafes and numerous restaurants and bars. We hope many of you will be inspired to stay for a few days and enjoy the best of what Wellington has to offer.

## CLIMATE

The temperature will usually be around 16 C, never higher than 20C, but not lower than 13C. The weather is very changeable at this time of year, so it may be beautifully sunny, or it may not. It may rain, or it may not. Did we mention that it will be windy? That is almost certain!
