

He Waiata Whakataukī Workshop

Enrich your music education, singing and Te Reo with new songs from the wisdom of whakataukī - Māori proverbs.

Learn round singing, movement and instrumentation with Sean's Waiata Whakataukī compositions - crafted for children's voices and playability on ukulele, guitar, pitched percussion and orchestral instruments.

For all levels of musical expertise,
zero to hero!

Add to your existing music teaching or build a whole new music programme around these songs, resources and methods, as creator Sean O'Connor has done in two schools.

An immersive experiential workshop with detailed written and audio/video resource support during and after the workshop.
